

**Amendments to the Drawings:**

Please substitute the attached six formal drawing Replacement Sheets for Figures 1-9 for the formal drawings originally filed with the application.

The attached formal drawing Replacement Sheets are being presented as new formal drawings to be substituted for the previously submitted drawing sheets. The drawing Figures 1-9 have been amended.

The specific changes which have been made to figures 1-9 are as follows:

**FIGURE 1**

A second header tube 5 as claimed in claim 1 and disclosed within the specification as originally filed was added to the left side of tube/rib block 2, on the opposite side of tube/rib block 2 as the originally depicted header tube 5. Figure 1 was also put into formal form.

**FIGURES 2-9**

Figures 2-9 were amended to place the drawings into formal form.

**REMARKS**

The Ex Parte Quayle Action mailed July 16, 2007 has been reviewed and the comments of the Patent and Trademark Office have been considered.

**Drawings**

The drawings were objected to under 37 C.F.R. § 1.83(a). Applicants have amended Figure 1 to illustrate “header tubes arranged on both sides” claimed in claim 1. This language was included in the specification as originally filed, and as such, no new matter has been added.

**Specification**

Applicants have amended the specification to delete the language that “of which only ... right” since Figure 1 now illustrates “header tubes arranged on both sides” as claimed in claim 1.

**Conclusion**

Applicant believes that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
